Develop the skills and knowledge you need to make evidence-based practice an integral part of your clinical decision making and everyday nursing practice with *Evidence-Based Practice in Nursing & Healthcare*. Written in a friendly, conversational style, this Third Edition of the authors' gold standard textbook covers all the information you need to use evidence-based practice to improve patient outcomes. Real world examples and meaningful strategies in every chapter show you how to take a clinical issue from inquiry to a sustainable solution that drives a preferred standard of care.

- Enhance your understanding of the EBP process through **Making EBP Real** features at the end of each unit that present real world case stories and **EBP Fast Facts** that highlight important points from each chapter.
- Master the content of the course with critical appraisal checklists, evaluation tables, and synthesis tables.
- Further develop evidence-based practice knowledge and skills using handy web alerts that direct you to helpful Internet resources.
- Take your learning beyond the book with a wide range of online resources, including the *American Journal of Nursing* EBP Step-by-Step Series, which provides a real-world example of the EBP process, plus learning objectives, journal articles, and checklists, templates, and evaluation tables.

This title is an *American Journal of Nursing* 2015 Book of The Year Contest Winner.
