Excerpt from *The Philosophy of the Short-Story*

Certain of the opinions put forward in the following pages were first expressed briefly (and anonymously) in the columns of the *Saturday Review* of London in the summer of 1884. The present paper, in which these opinions were more elaborately set forth, and with a greater variety of illustration, was originally printed in *Lippincott's Magazine* for October 1885. After a while it was included in a volume called 'Pen and Ink: Essays on subjects of more or less importance,' published in the fall of 1888 (New York and London: Longmans, Green, & Co).
