The Western Experience Mortimer Chambers, Barbara Hanawalt, Theodore Rabb, Isser Woloch, Lisa Tiersten

The Western Experience offers a thorough, analytical overview of Western civilization, giving students an introduction to the major achievements in Western thought, art, and science--as well as the social, political, and economic context for understanding those developments. The updated 10th edition now offers streamlined coverage the early nineteenth century and significantly updated post World War II coverage. To help readers develop their reasoning and writing skills, each chapter is constructed to serve as an example of a historical essay: A historical problem is presented, and arguments are developed using historical evidence. *The Western Experience* is available in a single volume as well as two-volume format.
