The Master Mineral Solution of the Third Millenium (The Updated "The Miracle Mineral Supplement of the 21st Century") Jim V. Humble

This book has been written by Jim Humble in 2010 and 2011. It is an update to MMS and to Jim's first book, The Miracle Mineral Solution of the 21st Century. It gives all the new protocols that have been discovered and developed since the first book was written. So far, more than 5,000,000 people have used MMS, hundreds of thousands of lives have been saved and the suffering of hundreds of thousands more has been overcome. The first book has been published in 20 different languages including Japanese, Russian, Korean, and many western and eastern European languages. Recently, Jim has returned from Africa where he successfully treated more than 800 HIV/AIDS cases. Last year he conducted lectures in Europe, a 5-day seminar in Germany and eight 10-day seminars in the Dominican Republic, all teaching the MMS protocols for healing most of mankind's diseases. The Genesis II Church of Health and Healing now uses the MMS solution as its Cleansing Water in the Church Sacraments. This new MMS book can save your life or that of a loved one and will most likely do so sometime within the next 5 years. This book has 311 pages and 30 chapters. Jim has updated all the MMS topics that were in the first book. Subjects covered are Jim's critics; safety precautions; what MMS is; many new protocols for using MMS correctly; protocols for many diseases; how to tell if MMS is working; MMS2; MMS3; healing animals with MMS; making MMS in your kitchen; a chemical explanation for laymen and scientists; oxidizers and how oxidation destroys pathogens; MMS, ARVs, and vaccines; methods of using MMS other than oral; the Mexican story, South African story, and Malawi story; the Genesis II Church of Health and Healing and our 237 Ministers of Health in 57 countries; MMS and drugs; and buying, using and teaching others to use MMS. If you know the information in this book, you can treat more diseases successfully than any medical doctor, and more importantly you can save lives, perhaps your own.
