Maria T. Codina Leik MSN APN BC FNP-C

Family Nurse Practitioner Certification Intensive Review: Fast Facts and Practice Questions, Second Edition Maria T. Codina Leik MSN APN BC FNP-C

Also Available As: The FNP Certification Review App!

Praise for the First Edition:

This is a well written, comprehensive review aimed at preparing readers for successfully completing a board certification exam...This is a wonderful comprehensive review in a concise study guide format.--**Doody's Medical Reviews**

The second edition of this acclaimed FNP review continues to promote efficient, time-saving study by synthesizing the key content needed to pass the NP Certification Exam into a concise, well-organized format. Using test-taking strategies meticulously developed by the author, the Review provides unique question dissection techniques, targeted key content review, 600 in-depth practice questions, and detailed, current exam information in a fast facts style. This second edition includes new chapters on pediatrics and adolescence and an extensive new section on geriatrics that encompasses body/metabolic changes, common disorders, and hospice/ethical considerations. The book also presents an expanded, intensive pharmacology review, 100 new exam questions, and is the only review to offer a new research chapter providing elements of research needed for E-B practice.

The book reviews the complete lifespan from pediatrics to geriatrics and including pregnancy, and covers non-clinical content including ethics, medico-legal issues, advanced practice law, and reimbursement guidelines. The review of primary care disorders is organized by body system. The content is applicable for certification exams for both the ANCC and the AANP. This book is also a great companion to the FNP Certification Review app, coming soon for your iPhone or iPad!

New to this edition:

- Reorganized for greater ease of use
- Provides extensive new section on geriatrics
- Contains expanded coverage of pediatrics and adolescence
- Offers expanded intensive-style pharmacology review
- Presents elements of research needed for E-B practice
- Includes 100 new questions for a total of 600 high-yield questions

Why use this review?

- Delineates strategic **question dissection techniques for study success** developed by the author, a leading provider of exam preparation education for over 20 years
- Provides **precisely targeted content review**

- Offers **600 in-depth practice questions** and detailed exam information
- Includes **Exam Tips and Clinical Tips to help prioritize test content.**
- It is the only book to present elements of research needed for E-B practice
- Outlines normal findings and benign variants in physical assessment of each body system
- Includes succinct review of diseases commonly seen in primary care
- It's a great companion to the forthcoming FNP Certification Review app!

From reader reviews:

Steve Duran:

In this 21st century, people become competitive in each way. By being competitive at this point, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated it for a while is reading. Yep, by reading an e-book your ability to survive enhances then having a chance to remain than others is high. To suit your needs who want to start reading a book, we give you this particular Family Nurse Practitioner Certification Intensive Review: Fast Facts and Practice Questions, Second Edition book as a beginner and daily reading book. Why, because this book is more than just a book.

Leigh Grayer:

Reading a publication tends to be a new life style in this particular era of globalization. With studying you can get a lot of information that may give you benefit in your life. With books everyone in this world can certainly share their ideas. Ebooks can also inspire a lot of people. Plenty of authors can inspire their readers with their stories or perhaps their experiences. Not only the story plots that share in the ebooks. But also they write about the data about something that you need an example of this. How to get a good score on TOEFL, or how to teach children, there are many kinds of books which exist now. The authors on earth always try to improve their ability in writing, they also do some analysis before they write with their books. One of them is this Family Nurse Practitioner Certification Intensive Review: Fast Facts and Practice Questions, Second Edition.

Brandon Adams:

The book Family Nurse Practitioner Certification Intensive Review: Fast Facts and Practice Questions, Second Edition has a lot of knowledge on it. So when you read this book you can get a lot of benefit. The book was authored by the very famous author. The writer makes some research ahead of writing this book. This book is very easy to read you may get the point easily after looking over this book.

Jacqueline Carter:

What is your hobby? Have you heard in which question when you got learners? We believe that that query was given by a teacher to the students. Many kinds of hobbies, every person has a different hobby. And also you know that little people like reading or as reading becomes their hobby. You have to know that reading is very important in addition to books as to be the matter. Books are important things to provide you knowledge, except your teacher or lecturer. You see good news or updates with regards to something by books. Many kinds of books that you can choose to adopt as your object. One of them is actually Family Nurse Practitioner Certification Intensive Review: Fast Facts and Practice Questions, Second Edition.
