**Methodology of Research and Writing in Philosophy: A Guide** Prof Isaac E. Ukpokolo

Methodology of Research and Writing in philosophy derives from two separate but closely related considerations. One is the need to explore and communicate the very distinct character of research and writing in philosophy. The other consideration for the choice of focus is that humanity, as an ideal, depicts not only a specie, but perhaps more importantly, a quality, the regeneration and full realization of which in the mind of every educated is the goal of education.
