“Francine Prose is a world-class satirist who’s also a world-class storyteller.”—Russell Banks

Francine Prose captures contemporary America at its most hilarious and dreadful in *My New American Life*, a darkly humorous novel of mismatched aspirations, Albanian gangsters, and the ever-elusive American dream. Following her *New York Times* bestselling novels *Blue Angel* and *A Changed Man*, Prose delivers the darkly humorous story of Lula, a twenty-something Albanian immigrant trying to find stability and comfort in New York City in the charged aftermath of 9/11. Set at the frontlines of a cultural war between idealism and cynicism, inalienable rights and implacable Homeland Security measures, *My New American Life* is a moving and sardonic journey alongside a cast of characters exploring what it means to be American.
