Mystic Revelations of Thirteen: The Key to Earth's Destiny Betsey Lewis

Greek philosopher and mathematician Pythagoras, 580 to 500 B.C.E., believed certain numbers had souls and incredible occult power... and one of those numbers happens to be 13. The use of numbers dates back thousands of years and can be found in Babylonia, Christian mysticism, the Hebrew system of the Kabbalah, the Hindu Vedas, Chinese texts, and in ancient Egyptian writings.

In MYSTIC REVELATIONS OF THIRTEEN, Lewis uncovers how the number 13 is used by secret societies, the Vatican and perhaps even extraterrestrials. In one of the strangest events ever witnessed, a mysterious Marian apparition appeared to three children at Fatima, Portugal, beginning on May 13, 1917, for six consecutive months, always on the 13th day at solar noon. The apparition's last appearance was on October 13, 1917, when the sun day appeared to dance in the sky and fall toward earth to the horror of 70,000 thousand people at Fatima that day. But not one witness described a golden sun. In fact, the sun aberrations were described as a huge stainless steel disc with a sharp edge. Did the message contain a catastrophic event or the truth that other worldly beings exist and have an agenda for humanity?

Lewis further explores the spiritual war taking place on our planet now and how the number 13 is an occult number used by the Illuminati to wage their war against the Light. She asks if extraterrestrials have warned us about a coming solar event that will take place on the 13th day of the month.

Some of the bizarre synchronicities of 13:

- From May 13, 1917 through October 13, 1917 three children of Fatima, Portugal received three prophecies from a Marian apparition. Since 1917 the Vatican has refused to release the prophecies. Strange events tied to the number 13: - On March 13, 1997, thousands witnessed the largest mass sighting of UFOs ever seen in modern times over Phoenix, AZ, known as the "Phoenix Lights." The City of Phoenix was named after the phoenix bird which is connected to the sun. Was this another message of the solar event? - On August 13, 2001 one of the largest UK crop circle formations in recorded history was created with 409 spiral circles (409 totals 13) perhaps by extraterrestrials. - On May 13, 2008 Vatican astronomer Father Funes stated that intelligent beings could exist in outer space. Was this a hint about the Fatima message? - On March 13, 2013 Cardinal Jorge Mario Bergoglio was elected Pope, a date that also equals 13. He chose the name Francis I from the 13th century saint Francis of Assisi. - Several mass killings took place in the United States on dates associated with the number 13. - On May 13, 2013 four X-Class flares exploded from the sun, which is the exact month and day the children of Fatima were visited by two angelic beings in 1917.

As bizarre events take place worldwide--wars, drought, sinkholes forming worldwide, increased powerful earthquakes, increased volcanic activity, extreme weather, and now the outbreak of Ebola in So. Africa, we ask if these signs foretell of the coming Apocalypse as foretold by prophets of old?

What will the future be? That up to us--we are the ones creating it!
