## **The Fashion Intern 2nd edition** Michele Granger

This comprehensive and easy-to-read new edition of *The Fashion Intern* first guides students in preparing to search for and secure an internship, and then challenges the student to critique the internship organization from the perspective of a business analyst. In this way, the student may primarily work in one area of the business, but must be exposed to the business in its entirety in order to complete the text, gaining a holistic view of the company. Text includes information on emerging fashion career options in communications and entrepreneurship, international internship opportunities, and the role of technological tools as today's job seeker's marketing package. Interns in fashion merchandising, retailing, design, product development, promotion, and production will end up with a polished and professional product for their portfolio.
