When Tucker learns Sabrina is the research assistant for a local mystery writer, he asks Sabrina to help him with a little sleuthing of his own . . . locating an elusive woman he's fallen for online. If Sabrina accepts the job, she'll spend her evenings in close proximity to a man who can never be hers. If she turns him down, he'll hire someone else and discover her secret . . . that the person he's trying to find is her.
