Excerpt from The Spanish Archives of New Mexico, Vol. 1: Compiled and Chronologically Arranged With Historical, Genealogical, Geographical, and Other Annotations, by Authority of the State of New Mexico

The documentary period of New Mexican history begins with the Relation of Alvar Nunez Cabeza de Vaca, who, with three companions, survivors of the ill-fated expedition under Don Pamfilo Narvaez, in 1528, shipwrecked upon the coast of the Mexican Gulf, traversed the continent, finally, in 1538, meeting with other Spaniards in New Galicia near the west coast of Mexico. Thereafter came the memorable journeys of the Franciscan frayles, Juan de la Asuncion and Marcos de Niza, the negro, Estevan, who lost his life at Zuñi, the expedition under Francisco Vasquez Coronado; Friar Agustin Ruiz, with Chamuscado; Don Antonio de Espejo; Cas-tano de Sosa; and finally, in 1598, the first colonizer in the United States of today, Don Juan de Onate, who located his first capital at San Gabriel, near the junction of the Rio Chama with the Rio Grande, in the county of Rio Arriba, New Mexico.

The Spanish archives of New Mexico, however, do not contain any record of the events of the explorations of the last half of the sixteenth century, nor are there any connected with the first settlement under Onate. The earliest is one of the year 1621, a translation of which is given together with a photographic reproduction. All of the earlier archives at Santa Fe, with this exception and two others, were destroyed by the Indians in the Pueblo Rebellion of 1680.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
