You think you know everything there is to know about life. You take drugs. At a party her boyfriend Klemen introduces her to a renowned modelling agent. He sees a special X Factor hidden insight her. And a great business opportunity for himself... Fast forward a few weeks later. Maja's charm and talent land her a modelling contract in the trendy and exciting fashion capital of Milan. She's completely enchanted and determined to make it in the fashion world. But things don't turn out the way she had planned. Exhausting long photo shoots, stressful fashion shows, strict dieting and wild parties start taking their toll on her soon enough. In desperate search for help Maja reaches out to her agent and other false friends from the fashion industry that emotionally and physically exploit her to the point where 'Maja the Great' is merely a shadow of her former self. She starts battling drug addiction that ends up in a tragic event. Maja has been finally swallowed up and spit out by the fashion industry with its endless traps. What price will the girl with the X Factor have to pay for her naivety? The young adult novel *The X Factor* by the bestselling Slovenian author Ivan Sivec is based on a true story and takes the reader on a frightening journey into the world of drug addiction among teenager fashion models.
