Feng Shui Design: From History and Landscape to Modern Gardens and Interiors (Compass) Lin Yun, Sarah Rossbach

Feng Shui (fung schway) originated in ancient China, as farmers sought to survive through finding harmony with nature, but in recent years it has moved to the West and entered the mainstream of the modern design world. Internationally renowned interior designers, architects, and landscapers are adopting feng shui precepts in their work, and stories abound of the remarkable, positive impact feng shui has had on people's lives. This informed and informative book offers a clear understanding of the historical roots of feng shui, its fundamental principles, and shows how they can be used practically today. With photographs of both classic and modern examples of feng shui in practice, Feng Shui Design offers inspiration and down-to-earth ideas for anyone to follow in considering home, garden, or office designs. Lavishly illustrated with color photographs, drawings, charts, plans, and original calligraphy by Master Lin Yun, Feng Shui Design will be required reading for designers, architects, and anyone wanting to explore this ancient art.
