Mary Rose O'Reilley

The Barn at the End of the World: The Apprenticeship of a Quaker, Buddhist Shepherd Mary Rose O'Reilley

Transcendence can come in many forms. For Mary Rose O'Reilley a year tending sheep seemed a way to seek a spirituality based not on "climbing out of the body" but rather on existing fully in the world, at least if she could overlook some of its earthier aspects. *The Barn at the End of the World* follows O'Reilley in her sometimes funny, sometimes moving quest. Though small in stature, she learns to "flip" very large sheep and help them lamb. She also visits a Buddhist monastery in France, where she studies the practice of Mahayana Buddhism, dividing her spare time between meditation and dreaming of French pastries.
