Schools are increasingly diverse in their student population, presenting new challenges for teachers. In light of these challenges, schools remain important in the talent development process. *A Teacher's Guide to Working With Children and Families From Diverse Backgrounds* provides important information and strategies for educators at all levels. The book is written for educators who want all children to thrive in school, including those who are twice-exceptional, those from lower income backgrounds, and others who have been underrepresented in gifted programming.
