Collected in this volume is a best-of selection from Instructables, reproduced for the first time outside of the web format, retaining all of the charm and ingenuity that make Instructables such a popular destination for internet users looking for new and fun projects designed by real people in an easy-to-digest way.

Hundreds of Instructables are included, ranging from practical projects like making a butcher block counter top or building solar panels to fun and unique ideas for realistic werewolf costumes or transportable camping hot tubs. The difficulty of the projects ranges from beginner on up, but all are guaranteed to raise a smile or a “Why didn’t I think of that?”

Numerous full-color pictures accompany each project, detailing each step of the process along the way. It’s an invitation to try a few yourself, and once you’re done, see if you don’t have a couple of ideas to share at Instructables.com.
