Learning and Teaching in Secondary Schools (Achieving QTS Series)

Learning and Teaching in Secondary Schools (Achieving QTS Series)

This popular text for secondary teacher trainees covers all the key issues for learning and teaching in secondary schools and is a core text for all those working towards QTS. Focusing on a range of important topics, the text provides an essential summary of educational research and includes both reflective and school-based practical tasks. Throughout, case studies make essential links between theory and practice and the text focuses on what trainees need to know. This fourth edition includes new chapters on Masters level study for PGCE and pastoral care, citizenship and PSHE.
