**Peace Lessons** Timothy Braatz

**For students**, this book is an introduction to the field of Peace Studies.

**For scholars**, it is a study in how to apply Peace Theory to history, encouraging those who examine the past to identify the significance of integrative power.

**Instructors** will appreciate the classroom exercises that dramatize the book's conceptual lessons.

**The general reader** will gain a new understanding of nonviolence, the underappreciated dynamic that stood up to Nazism in Europe, ended Jim Crow segregation in the United States, and has brought down many repressive dictatorships.

Hopefully, **all who read this book** will be inspired to find creative, nonviolent ways to respond to violence.

**Timothy Braatz** is a historian, playwright, novelist, and Peace Studies instructor.
