## **Stop Drinking Now** Allen Carr

A fresh take on the Allen Carr method with all-new text. Includes free hypnotherapy CD. Most drinkers are convinced that it's almost impossible to stop drinking and to free themselves from addiction; they also feel unable to solve any of the widespread problems drinking causes. The wonderful news is that this book shows you how to stop immediately, painlessly and permanently. This book understands drinkers and how they think and, without being judgemental or patronising, takes them through the process of how to get alcohol out of their lives. Demonstrates how drinkers fall into the trap of drinking, the psychology behind being addicted and how to quit this mug's game once and for all. This book has more compelling evidence than ever before that your addiction to alcohol is much less physical than it is mental. Alcohol is not something your body needs, but something your mind thinks it needs. Stop Drinking Now explains the mental process of addiction and how to reverse that process easily, painlessly and permanently.
