Elements of Effective Communication: 4th Edition Randal S. Chase, Wayne Shamo

Elements of Effective Communication is a textbook for Communication 1010, an introductory course in interpersonal and business communication. The course covers all aspects of human communication, including relationships, group communication, organizational communication, public speaking, rhetoric, mass communication, and communication with the new social media. The course is most appropriate for students who major in a subject other than communication but who need education in the fundamentals of human communication in all of its contexts.
