Among the most studied, most read, and most admired works in world literature, the tragedies of Shakespeare constitute a body of work unrivaled in dramatic brilliance, beauty of language, and profundity of thought. This convenient and affordable volume — ideal for students and all lovers of literature — features four of the playwright's greatest works: *Hamlet*, the revenge drama centering on the introspective Prince of Denmark — one of literature's most discussed and contentious characters, and the role that every actor longs to play; *Macbeth*, otherwise known as "The Scottish Play," concerning a nobleman's overweening ambition; *Othello*, in which a gallant soldier and loving husband is undone by jealousy; and *Romeo and Juliet*, the timeless tale of the young lovers whose names are synonymous with star-crossed romance. Includes 2 selections from the Common Core State Standards Initiative: *Hamlet* and *Macbeth*.
