Jesus, the Bible, and Homosexuality, Revised and Expanded Edition: Explode the Myths, Heal the Church

Jack Rogers

Jesus, the Bible, and Homosexuality, Revised and Expanded Edition: Explode the Myths, Heal the Church Jack Rogers

In this revised and expanded best seller, evangelical theologian and former Moderator of the Presbyterian Church (U.S.A.) Jack Rogers makes a biblical case for equal rights for people who are lesbian, gay, bisexual, or transgender (LGBT). Throughout history, he observes, Christianity has moved towards ever greater openness and inclusiveness. Today's church is led by many of those who were once excluded: people of color, women, and divorced and remarried people. He argues that when we interpret the Bible through the lens of Jesus' redemptive life and ministry, we see that the church is called to grant equal rights to all people. *Jesus, the Bible, and Homosexuality* describes Rogers' own change of mind and heart on the issue, charts the church's history of using biblical passages to oppress marginalized groups, argues for a Christ-centered reading of Scripture, debunks stereotypes about people who are LGBT, refutes the conventional wisdom about the texts that are often used against people who are LGBT, and presents ideas for how the church can heal itself and move forward again. A fascinating combination of personal narrative, theology, and church history, this book is essential reading for all concerned with the future of the church and the health of the nation.

The revised and expanded edition also includes:

- * A new preface with 'stories from the road' as a result of Rogers's two year book tour in support of the first edition,
- * Updates on recent developments within the Presbyterian Church (U.S.A.),
- * A new chapter that examines God's radical welcome for all who have faith as revealed in Scripture,
- * A new appendix that maps the recent progress toward LGBT equality in major U.S. denominations, and
- * A study guide for group or personal reflection.
