Stone Butch Blues: A Novel Leslie Feinberg

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence.

Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950's, coming out as a butch in the bars and factories of the prefeminist '60s, deciding to pass as a man in order to survive when she is left without work or a community in the early '70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

Leslie Feinberg is also the author of *Trans Liberation*, *Trans Gender Warriors* and *Transgender Liberation*, and is a noted activist and speaker on transgender issues.
