Dr. Seuss: The Cat Behind the Hat: The Collector's Edition Caroline M. Smith

This exquisitely produced collector's edition holds four exclusive lithographs along with a cloth-covered edition of *The Cat Behind the Hat*, a beautifully illustrated book that redefines Dr. Seuss as an iconic American artist. Illustrator by day, surrealist by night, Dr. Seuss created a body of little-known work that he called his "Midnight Paintings." For sixty years, this work allowed Geisel to expand his artistic boundaries outside the confines of commercial influences and deadlines. The book exuberantly juxtaposes Geisel's "Midnight Paintings" with his best-loved children's books. Though he fiercely protected his "Midnight Paintings" from criticism during his lifetime, his intention all along was for these works to be seen when he was gone. This comprehensive look at the art that he created over his lifetime, along with four frame-able prints, is an eye-opening peek behind the public persona into the real story of the man who was Dr. Seuss.
