High-powered businessman Cameron Shaw doesn't believe in love—until he falls head over heels for beautiful, passionate, and intensely private Martina. She's perfect in so many ways, immediately bonding with his little girl. Martina could be his future bride and a delightful stepmother ... if only Cameron weren't blinded by his belief that Shelly, the gold-digging woman he's promised to marry, is pregnant with his child.

No matter how much his friends protest his upcoming marriage to Shelly, Cameron knows he has a duty to his children, so he's determined to see it through.

Will he find out in time that Shelly's lying and Marti's the one who's actually carrying his child? It'll come down to the day of his wedding. After choosing Shelly over Marti at every turn, will he convince Marti she's his world and the only woman he wants?
