Rich people have a fundamentally different approach to money than the rest of us-and learning what those differences are is the key to financial independence.

The world's wealthiest people didn't get where they are just by working day in and day out. They gained their wealth by being smart with their assets, taking risks, and acting with a financial intelligence most of us just don't have access to-until now. Rich Dad, Poor Dad is a collection of financial lessons highlighting the way the rich spend, save, and invest. It offers valuable lessons, tips and warnings to help you take control of your finances.

You will learn:

- What attitudes are stopping you from collecting assets
- How to shed the employee mindset and find new ways to earn money
- Why becoming financially intelligent will help you lose your fear of risk-taking
