The Wayward Muse Elizabeth Hickey

Pulled straight from the canvasses of Dante Gabriel Rossetti, Elizabeth Hickey's *The Wayward Muse* paints a vivid portrait of the mysterious and beautiful Jane Burden, the Pre-Raphaelite icon. A stableman's daughter raised in the slums of Oxford, seventeen-year-old Jane is convinced of her own homeliness. But her fortunes forever change when she is discovered by the charismatic and irreverent painter, Rossetti. Jane is swept into the artist's world as model and muse and falls madly in love with him. When Rossetti abruptly leaves her, Jane reluctantly agrees to marry his protege, a shy craftsman named William Morris. But her passion for Rossetti never dies, and years later all three become entangled in a love triangle from which they will never escape. Atmospheric and haunting, Elizabeth Hickey's latest historic novel gracefully explores the delicate and capricious nature of both love and art.

From reader reviews:

Dwayne Moseley:

Here thing why that The Wayward Muse are different and trusted to be yours. First of all looking at a book is good however it depends in the content than it which is the content is as delicious as food or not. The Wayward Muse giving you information deeper and different ways, you can find any reserve out there but there is no publication that similar with The Wayward Muse. It gives you thrill reading journey, its open up your own eyes about the thing in which happened in the world which is maybe can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of The Wayward Muse in e-book can be your option.

Jean Willis:

Often the book The Wayward Muse will bring someone to the new experience of reading a book. The author style to explain the idea is very unique. When you try to find new book to study, this book very appropriate to you. The book The Wayward Muse is much recommended to you to see. You can also get the e-book from the official web site, so you can more readily to read the book.

Kevin Ortiz:

People live in this new moment of lifestyle always attempt to and must have the spare time or they will get great deal of stress from both daily life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not just a robot. Then we inquire again, what kind of activity do you have when the spare time coming to anyone of course your answer will unlimited right. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, the actual book you have read is usually The Wayward Muse.

Tiffany Lyons:

Playing with family inside a park, coming to see the ocean world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try matter that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Wayward Muse, it is possible to enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.
