A Biblical Text and its Afterlives: The Survival of Jonah in Western Culture Yvonne Sherwood

This book charts the mutations of the book of Jonah as it latches onto Christian and Jewish motifs and anxieties, passes through highbrow and lowbrow culture, and finally becomes something of a scavenger among the ruins, as, in its most resourceful move to date, it begins to live off the demise of faith. This book is concerned with those versions of the biblical that escape proper disciplinary boundaries: it shifts the focus from "Mainstream" to "Backwater" interpretation. It is less a navigation of interpretative history and more an interrogation of larger political/cultural issues: anti-Judaism in Biblical Studies, the secularization of the Bible, and the projection of the Bible as credulous ingenu, naive Other to our savvy post-Enlightenment selves.

Joyce Jiminez:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A Biblical Text and its Afterlives: The Survival of Jonah in Western Culture can make you feel more interested to read.
