Love is never ugly

Now a major motion picture starring Vanessa Hudgens and Alex Pettyfer

I am a beast. A beast! Not quite wolf or bear, gorilla or dog but a horrible new creature who walks upright. I am a monster.

You think I'm talking fairy tales? No way. The place is New York City. The time is now. It's no deformity, no disease. And I'll stay this way forever—ruined—unless I can break the spell.

Yes, the spell, the one the witch in my English class cast on me. Why did she turn me into a beast who hides by day and prowls by night? I'll tell you. I'll tell you how I used to be Kyle Kingsbury, the guy you wished you were, with money, perfect looks, and the perfect life. And then, I'll tell you how I became perfectly . . . beastly.

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated.
