Being crazy is all fun and games...until somebody dies!

A woman has been killed in the middle of a field...or has she?

Someone is poaching deer out of season...but no one can find the kills...

Now a renegade Native American tribe has taken over the county...

Is it any wonder that Nick Behr is crazy?

I love it! Nick Behr is an interesting character that I have enjoyed getting to know and reading his stories!...It has mystery and action but a funny side that kept me in tears laughing!...Heart stopping action from start to finish!
