*"I had fantasized about this moment all semester. His hands exploring my nineteen year old body. His eyes watching me squirm as he controlled me. I was soaking wet from his teasing, and I couldn't help but beg for more. I needed to be filled, to be left satisfied by an older man..."*

Professor Cabello's math class was Jessica's favorite. Not because she enjoyed math, but because she couldn't stop daydreaming about being punished by the older Spanish teacher. She spent every class fantasizing about the discipline that his strong arms would deliver to her naked and begging body. But when the big test came, she wasn't prepared.

Her best friend Nathan suggests that they cheat, and she immediately agrees. When they're caught, instead of giving her a 0 and reporting her to the dean, Mr. Cabello decides on a much more fitting punishment for Jessica: teaching her how to take him in every hole.

When Nathan interrupts them, Mr. Cabello will extend the punishment by making Jessica take both of them at once. She'll be stuffed in every possible position and left filled with their sticky pleasure.
