Martha J. Bradshaw, Arlene J. Lowenstein

Innovative Teaching Strategies in Nursing & Related Health Professions, Fourth Edition Martha J. Bradshaw, Arlene J. Lowenstein

The Fourth Edition of this popular text expands on the third by taking an in-depth look at teaching strategies appropriate for educators working in all health related professions. Chapters present a broad range of strategies, as well as the learning environment to best use the strategies, detailed practical and theoretical information about the strategies, how to deal with problems that could occur, specific examples of the strategies as they have been used, and resources available for further information. Focusing on innovation, creativity, and evaluation, the strategies are developed for use in traditional classroom settings, technology-based settings, and clinical settings.
