On a Highland Shore Kathleen Givens

In an age when Norse invaders threaten Scottish civilization, one woman will defend her clan's honor and claim her own exceptional destiny.

1263: As the Highland village of Somerstrath prepares for the joyous wedding of Margaret MacDonald, the laird's daughter, a dark storm of bloodshed and betrayal closes in.... Now, determined to hold her shattered clan together and locate her abducted younger brother in the wake of a brutal Viking attack, Margaret must choose between obeying the dictates of King Alexander's court, or placing her trust in Gannon MacMagnus, an imposing half-Irish, half-Norse warrior. Who is this stranger who vows not to harm her? Will he vanquish the barbarous killers who would continue to destroy the rugged, magnificent land she calls home?
