**Regional Economic Development: Analysis and Planning Strategy** Robert J. Stimson, Roger R. Stough, Brian H. Roberts

The completely reedited second edition of this book reflects recent advances and adds insightful new material. The book analyzes regional economic performance and change, and discusses how analysis integrates with strategies for local and regional economic development policy and planning. The aim is to provide the reader with an account of quantitative and qualitative approaches to regional economic analysis, and of old and new strategic frameworks for formulating regional economic development planning.
