Robert Penn Warren

Selected Letters of Robert Penn Warren: Backward Glances and New Visions, 1969--1979 (Southern Literary Studies) Robert Penn Warren

The years 1969 and 1979 bookend a volatile decade in American history. As an articulate witness to the era of the Vietnam War, Watergate, Jimmy Carter, and the national "malaise," Robert Penn Warren produced a phenomenal body of work, securing his place in the canon of American poetry.

Volume five of Selected Letters of Robert Penn Warren: Backward Glances and New Visions, 1969--1979 includes Warren's letters to friends, family, peers, editors, inquiring scholars, and critics -- recording the details of his personal and professional life and illustrating his pivotal role in twentieth-century American literature.

In these turbulent but fruitful years, Warren produced both *Audubon: A Vision* (1969) and the revised version of *Brother to Dragons* (1979). In between lay some of Warren's most searching work as poet, novelist, literary critic, and social commentator.

During this era Warren's achievements included his highly experimental and complex *Or Else -- Poem/Poems* (1974) and the Pulitzer Prize--winning *Now and Then* (1978). Before the end of the 1970s three more novels appeared concluding with his final book of fiction, *A Place to Come To*.

This volume provides insight into Warren's inspiration during a remarkably productive era and will prove an essential resource on his life and work.
