Stepbrother: Want of an Heir (A Billionaire Taboo Forbidden Pregnancy Romance)

My name's Freya and I'm a self-proclaimed workaholic and dork with not much in the way of romantic prospects. I'm not attractive like the rest of the girls in this city all power suits and stilettos. But I have a chance tomorrow: A blind date I can't miss with a man who is *way* out of my league.

However, when staying late to finish up some work Friday evening, I accidentally catch **my boss...a successful and devastatingly handsome billionaire of New York City, Jack Fox** involved in some very naughty escapade. The catch? He's also the boy I grew up with which only makes it that much more mortifying!

He sees me watching him in the taboo act and now he's wanting to **fill me with a gift...**A gift we've both wanted for so long but something so forbidden I dare not mention it here.

Can I own up to these feelings I know I should keep secret from the world?

You'll have to look inside to find out...
