**The Piano Girl - Part One (Counterfeit Princess Series)** Sherri Schoenborn Murray

She plays from memory. Her memories.

The day after her sixteenth birthday, Princess Alia finds out that she's been given away in marriage to a man she's never met. The war has just ended, and for Alia's protection, she must travel to her future kingdom disguised as a chicken farmer's daughter. This princess-to-pauper story is filled with problems, prayers and plenty of piano. This is Part One of a two-part series. Part one and two are combined in AUDIO, which is now on Audible. And in paperback, which is now available. The Counterfeit Princess series will continue with Alia's sister, Wren. I'm aiming for July of 2016 - God willing.

#### **Elizabeth Brown:**

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see

colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Piano Girl - Part One (Counterfeit Princess Series) can make you experience more interested to read.
