Twilight Sleep

Edith Wharton

Twilight Sleep Edith Wharton

Out of print for several decades, here is Edith Wharton's superb satirical novel of the Jazz Age, a critically praised best-seller when it was first published in 1927. Sex, drugs, work, money, infatuation with the occult and spiritual healing -- these are the remarkably modern themes that animate *Twilight Sleep*. The extended family of Mrs. Manford is determined to escape the pain, boredom and emptiness of life through whatever form of "twilight sleep" they can devise or procure. And though the characters and their actions may seem more in keeping with today's society, this is still a classic Wharton tale of the upper crust and its undoing -- wittily, masterfully told.
