Description: This is an electronic reproduction of the original Ford printed manual. This manual contains complete service information for the 1967 Cougar, Falcon, Fairlane, Mercury and Mustang. The descriptions and specifications contained in this manual were in effect at the time the manual was approved for printing. This is the original manual used by the Ford dealership mechanics to guide them through repairs and maintenance. Each section provides information on the operation of major systems, diagnostics, troubleshooting, overhaul, as well as the removal and installation of major components. Step-by-step procedures for trouble shooting, cleaning and inspecting, repairing, and replacing the various parts, assemblies, and systems on these vehicles are presented.

Each section provides information on the operation of major systems, diagnostics, troubleshooting, overhaul, as well as the removal and installation of major components. You will find step-by-step procedures for engines, exhaust, ignition, fuel, clutch, transmissions, rear axle & driveline, cooling, chassis, suspension, frames, steering, brakes, generating & starting, lights, instruments, accessories, body maintenance & repair, doors, deck lids, front sheet metal, interior trim, seats, windows, body installation, maintenance and lubrication. In addition, this manual includes wiring diagrams, specifications, special tool lists, exploded view illustrations, troubleshooting diagnosis, and pictures.

This manual also contains maintenance and lubrication data as well as a tabulation of service specifications. Disassembled views of the principal units show the various parts in the order of their disassembly or assembly. In many cases, a glance at these illustrations will tell you all you need to know about how the parts are assembled. Written in an easy to understand format, this manual contains instructions designed for the novice and the expert.
