A People and a Nation: A History of the United States Mary Beth Norton, David M. Katzman, David W. Blight, Howard Chudacoff, Fredrik Logevall

This spirited narrative challenges students to think about the meaning of American history. Thoughtful inclusion of the lives of everyday people, cultural diversity, work, and popular culture preserves the text's basic approach to American history as a story of all the American people. The Seventh Edition maintains the emphasis on the unique social history of the United States and engages students through cutting-edge research and scholarship. New content includes expanded coverage of modern history (post-1945) with discussion of foreign relations, gender analysis, and race and racial relations.

From reader reviews:

James Baron:

Nowadays reading books be than want or need but also work as a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining for instance comic or novel. The actual A People and a Nation: A History of the United States is kind of publication which is giving the reader erratic experience.

Elizabeth Jamerson:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some analysis before they write for their book. One of them is this A People and a Nation: A History of the United States.

Agustin Byler:

Reading a book to get new life style in this season; every people loves to learn a book. When you examine a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and also soon. The A People and a Nation: A History of the United States provide you with new experience in reading through a book.

Judith Bryant:

Is it an individual who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This A People and a Nation: A History of the United States can be the respond to, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these guides have than the others?
