**Claude Levi-Strauss - Prix Femina Essai 2015 (French Edition)** Emmanuelle Loyer

Claude Lévi-Strauss est né en 1908 et mort centenaire, en 2009, tout près de nous, lecteurs du XXI<sup>e</sup> siècle. Il grandit dans une famille juive, bourgeoise, mais qui a connu des jours meilleurs. Le père est peintre, bricoleur ; le fils choisit la voie de la philosophie et du militantisme socialiste. Le jeune agrégé part en 1935 enseigner la sociologie à Sao Paulo. Lors de rudes expéditions dans le Brésil intérieur, il se fait ethnologue, découvrant l'Autre indien. Les lois raciales de Vichy le contraignent à repartir : il gagne l'Amérique en 1941 et devient Prof. Claude L Strauss - pour ne pas qu'on le confonde avec le fabricant de jeans. Cette biographie décrit l'accouchement d'une pensée d'un type nouveau, au milieu d'un siècle chahuté par l'Histoire : l'énergie des commencements au Brésil et l'effervescence du monde de l'exil européen à New York, entre surréalisme et naissance du structuralisme.), Le retour en France, après la guerre, sonne le temps de l'écriture de l'oeuvre : plusieurs décennies de labeur intense où Lévi-Strauss réinvente l'anthropologie, une discipline qui a désormais pignon sur rue et offre une nouvelle échelle pour le regard. En 1955, *Tristes Tropiques* en est la preuve éclatante, en France puis dans le monde entier. Au cours des années, Lévi-Strauss est devenu une gloire nationale, un monument pléiadisé de son vivant. Mais il a sans cesse revendiqué un regard éloigné qui lui permet de poser un des diagnostics les plus affûtés et les plus subversifs sur notre modernité en berne. Cette biographie souligne l'excentricité politique et intellectuelle de l'anthropologue. Sa vie décentrée par rapport à l'Europe, ses allers-retours entre ancien et nouveaux mondes. son goût de l'ailleurs font de ce savant-écrivain, mélancolique et tonique, esthète à ses heures, une voix inoubliable qui nous invite à repenser les problèmes de l'homme et le sens du progrès. Lévi-Strauss est moins un moderne que notre grand contemporain inquiet.
