#### Past Lives of the Rich and Famous Sylvia Browne

In *Past Lives of the Rich and Famous*, Sylvia Browne, the renowned *New York Times* bestselling author and reigning queen of psychics provides a rare and riveting look at the (often very surprising) lives some of our most beloved celebrities experienced in the past—before our own time.

Unlike any other book she has written, *Past Lives of the Rich and Famous* explains what happens before birth. With assistance from her spirit guide, Francine, she offers a unique new look at more than fifty beloved celebrities, including Steve Jobs, Amy Winehouse, Elizabeth Taylor, Michael Jackson, Whitney Houston, and Martin Luther King Jr. Browne does not just reveal what celebrities were doing in their past lives, but also makes a spiritual connection between what they did then and what they did now. She also tells us whether this is a celebrity's final life, or whether he or she will continue the journey into future lives.
