This guide's six double-sided panels fold up into a handy narrow packet which is sized to fit in your back pocket yet sturdy enough to stand up under repeated use. Lamination has also made the guide waterproof. It describes over 35 species of snakes found in Southeast Texas, including 7 venomous snakes. The guide also features color photos that makes it ideal for field use. Common and scientific names, average adult size, habitat, diet, and behavior are described. Tips on field identification and safety instructions are also discussed. Identify that unexpected visitor in your yard or while out and about. Excellent for nature enthusiasts of all ages.
