## **TO PROTECT EVERYTHING, WOULD YOU DO ANYTHING?**

Your name is Danny Carter. You're a happy man: you have a good job, a nice house, and a girlfriend you adore. Life is better than you ever dared hope. But things weren't always this way.

Once, you stood in a dark room and watched a man bleed to death. You've prayed every day that your past would stay buried...because you weren't alone in that room.

Now, the man who stood beside you is back. He's the most dangerous person you can imagine. And he's demanding you help him do the unforgivable. Agreeing will cost your career, your relationship, even your freedom.

Refusing will cost your life.

Winner of multiple awards and optioned for film by Ben Affleck and Sam Raimi, *The Blade Itself* is a relentlessly claustrophobic thrill ride from "a modern master of suspense" (*Chicago Sun-Times*).
