## **Comics Values Annual 2009** Alex G. Malloy

With box office hits like "Spider-Man", "Superman", "X-Men", "Hulk", the "Fantastic Four" and many others ushering in new comic book fans, and renewing interest among former collectors, comprehensive price guides are a must have. This edition gives a brief overview of the industry, a grading guide, and features an interview with a comic book industry insider. Unlike other price guides, "Comics Values Annual 2009" lists titles alphabetically by MAJOR publisher beginning with "DC" and then continuing with "Marvel", "Image", "Dark Horse", "Classics Illustrated", and then tossing in miscellaneous "Golden Age" titles, black and white titles, colour titles from modern publishers like Valiant, Gold Key, Gladstone, Malibu, etc. "Marvel" and "DC" dominate the collectable comic book world. "Comics Values Annual 2009" recognises that fact. Why should collectors have to rummage through a lot of junk that other publishers list to get to the good stuff they collect?
