This activity book is one of a series of activity books designed to teach the Punjabi language using Gurmukhi script to children located in English speaking countries. The objective of this activity book is to improve the vocabulary of a student who has already learnt the Gurmukhi script. The approach used is to exploit puzzles, mazes and exercises which require the student to recognize different words in the language. Sample puzzles included in this book include finding words in a maze, matching pictures to the corresponding words, arranging words in a staircase, and filling in circles containing words and pictures. These puzzles and activities increase the vocabulary of a student in a fun way.
