One of Ours is a novel by Willa Cather, first published in 1922. The novel won the 1923 Pulitzer Prize for the Novel.

One of Ours tells the story of the life of Claude Wheeler, a Nebraska native around the turn of the 20th century. The son of a successful farmer and an intensely pious mother, he is guaranteed a comfortable livelihood. Nevertheless, Wheeler views himself as a victim of his father's success and his own inexplicable malaise.

The novel is divided into two parts: the first half in Nebraska, where Claude Wheeler struggles to find his life's purpose and is left disappointed, and the second in France, where his pursuit of purpose is vindicated. A romantic unfulfilled by marriage and an idealist without an ideal to cling to, Wheeler fulfills his romantic idealism on the brutal battlefields of 1918 France.

One of Ours is a portrait of a peculiarly American personality, a young man born after the American frontier has vanished, whose quintessentially American restlessness seeks redemption on a frontier far bloodier and more distant than that which his forefathers tamed.

Mogul Classics is proud to offer you the best edition of this literary classic featuring one of the most acclaimed books of the 20th century.
