Perform life-changing magic with nothing more than your favorite Tarot deck. *Tarot and Magic*, the third book in Llewellyn's Special Topics in Tarot series of advanced and specialized Tarot techniques, shows you how.

Straightforward and respectful of all spiritual paths, this guide teaches you how to create your own Tarot spells and rituals, and use the magical power of the cards as talismans. It reveals the secret connection between the Tarot and sex magic, and presents three methods for exploring this connection. You'll learn how to enter and work in the astral plane, using the Tarot as a map. You'll even rediscover the time-proven but little-known magic technique of dancing the Tarot, developed by respected magicians Denning and Phillips. Each chapter concludes with questions designed to trigger your own magical abilities.

Your Tarot deck is a powerful magical tool—use it to create the changes you desire in your life.
