The Chairman: The Rise and Betrayal of Jim Greer Peter Golenbock

The Chairman, a Shakespearean tale of friendship and betrayal to rival *Hamlet*, is the harrowing story of Jim Greer, a man loyal to a fault to Florida governor Charlie Crist, his benefactor.

From 2006 to 2010, Greer served as chairman of the Republican Party of Florida. In 2010, controversies arose involving party finances and spending behavior by state elected officials. Despite evidence that supported Greer's claim that top party officials knew about the arrangements, Greer chose to end his trial and surprised many by pleading guilty in 2013. Greer trusted Crist to protect him from the onslaught of the Tea Party wing of the party, only to watch as Crist stabbed him in the back and helped send him to prison in order to try to save his own political career.

It's also a political tell-all about how wealth begets power in Republican-led Florida state politics. The book details the secret deals, the dirty pool, the payoffs. Featuring political treachery at every turn, it's also a personal, inside look at the brotherly relationship between Greer and Crist and the ruthlessness of potential presidential candidate Marco Rubio and attorney general Bill McCollum.

The particular book that recommended to your account is *The Chairman: The Rise and Betrayal of Jim Greer* this book consist a lot of the information from the condition of this world now. This kind of book was represented how do the world has grown up. The words styles that writer value to explain it is easy to understand. The particular writer made some investigation when he makes this book. Here is why this book suitable all of you.

Betty Jordan:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this *The Chairman: The Rise and Betrayal of Jim Greer* can make you really feel more interested to read.
