TWENTY YEARS AGO,

IN A THEATER RIGHT AROUND THE CORNER . . .

Movie audiences fell in love with the rogue, the farmboy, the princess, the villain cloaked in black. Each had his or her place in the universe, and each possessed a unique style.

"I recognized your foul stench when I was brought on board."

"Let the Wookiee win."

"Do. Or do not. There is no try."

No series of movies--before or since--has yielded so many memorable moments as the Star Wars trilogy. Those moments are captured here, for everyone to carry and enjoy so that, now and forever . . .

The Force will be with you . . . always.
